

What is eeECE

eeECE - "educating for excellence through Early Childhood Educators" is a grassroots, volunteer, 503(c)(3) nonprofit organization which provides affordable quality trainings for professionals in the field of early childhood education. Early Childhood Education includes children from birth to third grade. Our trainings encourage creative and innovative ways to work with children, staff, and parents in early learning environments. Our organization was founded in 1988 in response to local support of early childhood educators in Southern New Hampshire. We strongly believe that life is about continual learning.

When we stop learning, we stop growing!

<p>September 13, 2016 - TUESDAY</p> <p>"Explorations in Science" -Stephen Lechner</p> <p>Children can be introduced to science at an early age, to spark their interest in discovering and investigating the world around them. This workshop will explore science education through fun and entertaining activities and hands on experiences. Themes include Color, Sound, Mirrors, Simple Chemistry, and more. Participants will leave with projects and experiments to try with their school or class, as well as an exciting new outlook on a very common subject: Science.</p> <p>Fee: \$8.00 per person. Core knowledge area: Teaching & Learning</p> <p>OPEN REGISTRATION BEGINS: August 1, 2016 @ 6:00 am</p>	<p>February 7, 2017 - TUESDAY</p> <p>"Using Puppets in the Classroom" - Diane Kordas</p> <p>Audience members will have the opportunity to try different styles of puppetry as they discover how to tell stories, introduce new topics, and use puppets as teaching tools. Puppets appeal to different learning styles and age groups. Budget friendly and easy to make puppets are the focus of this workshop, and lesson plans for common preschool curriculum will be included with lots of fun, as well as hands on activities they can add to their teaching tool chest!</p> <p>Fee: \$8.00 per person. Core knowledge area: Promoting Child Growth and Development & Teaching and Learning</p> <p>OPEN REGISTRATION BEGINS: January 1, 2017 @ 6:00 am</p>
<p>October 11, 2016 - TUESDAY</p> <p>"Ants in their Pants" - April Campbell</p> <p>This workshop will look at different techniques on how to get children who have a lot of energy engaged in the activities planned. You will also learn how to plan activities that do not require children to have to sit or stand still but move to the rhythm they set. You will be given ideas for children on the autism spectrum as well as other busy disorders. This is a very hands-on presentation so come prepared to move and get your hands, and maybe other body parts, messy.</p> <p>Fee: \$8.00 per person. Core knowledge area: Developing as a Professional & Teaching and Learning</p> <p>OPEN REGISTRATION BEGINS: September 1, 2016 @ 6:00 am</p>	<p>March 14, 2017 - TUESDAY</p> <p>"Using Literature Across the Curriculum" (Toddlers, Twos, Preschool and PreK) Practical Activities Linking Literature to Active Learning - Lorraine Greer</p> <p>It's never too early to read to a child, especially when you have Story S-t-r-e-t-c-h-e-r-s! The youngest children love the repetition of words and experiences that stories provide. Learn how to connect the best children's books to early learning centers--science, nature, math, art, music, movement, cooking and circle time. Discover the five interactive ways to bring lively learning activities that heighten reading readiness and sharpen comprehension skills. Also, it's so easy to put into use on a daily basis!</p> <p>Fee: \$8.00 per person. Core Knowledge area: Teaching & Learning</p> <p>OPEN REGISTRATION BEGINS: February 1, 2017 @ 6:00 am</p>
<p>November 15, 2016 - TUESDAY</p> <p>"As Easy As 1,2,3: Using Children's Literature to Teach Math" - Tanya Paiva</p> <p>This interactive workshop will have you counting, patterning, sorting, playing with shapes and so much more as you explore the basic math concepts that are a part of preschool and kindergarten and ways to use children's literature to teach them. You will walk away with a better understanding of how to choose literature that aligns with your math goals as well as ways to use it as a springboard for increasing children's math comprehension. You will experience a variety of hands on activities that you can implement in your classroom right away. Get ready to grab a good book and do some math! PLEASE BRING WITH YOU THE NIGHT OF THE TRAINING: A glue stick & a pair of scissors - Thanks in advance!</p> <p>Fee: \$8.00 per person. Core Knowledge area: Developing as a Professional & Teaching and Learning</p>	<p>April 11, 2017 - TUESDAY</p> <p>"Sensory: A Handful of Fun" - April Campbell</p> <p>This is a very hands on workshop that will go over all the senses and what sensory processing disorder looks like. This workshop will show you how to expand your sensory offerings to your Infants, Toddlers, and Pre-school classroom. All activities have been tried and tested in classrooms. Come ready to explore sensory materials.</p> <p>Fee is \$8.00. Core knowledge area: Promoting Child Growth and Development & Developing as a Professional</p> <p>OPEN REGISTRATION BEGINS: March 1, 2017 @ 6:00 am</p>
<p>January 10, 2017 - TUESDAY</p> <p>"Look at me when I'm talking to you! The crazy things we say to children." - Jessica Sugrue</p> <p>Behavior is at the forefront of our minds as early childhood educators-how do we manage it? How do we support it? But most importantly-how do we get rid of it? It might surprise you to find out the answer lies mostly with you! Come discover ideas, strategies and resources to address behavior in classroom and program settings. Understand how your engagement with children can make all the difference to understanding behavior as a form of communication and explore ways to enhance our communication with children!</p> <p>Fee: \$8.00 per person. Core Knowledge area: Developing as a Professional</p> <p>OPEN REGISTRATION BEGINS: December 1, 2016 @ 6:00 am</p>	<p>"Hey, what's for lunch?!: Helping parents provide healthy choices" - Thom Linehan Ed.D & Debbie Luppold M.S., Rd/LD</p> <p>Many early childhood programs rely on parents to provide lunches and snacks. This presents opportunity and challenges for early childhood professionals. This workshop will focus on understand the building blocks of a healthy lunch/ snack, the potential benefits of a lunch/ snack & wellness policy, and practical strategies for approaching & supporting parents/families to provide healthy choices.</p> <p>Fee: \$8.00 per person. Core knowledge area: Building Family & Community Relationships</p> <p>OPEN REGISTRATION BEGINS: April 1, 2017 @ 6:00 am</p>
